BEE KEEPING

Allen Reed and Andrea Dubnick have been backyard beekeepers for 4 years. Join them as they share some of the pitfalls and joys of this ancient yet modern craft-art-science-hobby-business. We'll discuss the history of beekeeping, the life cycle of the honeybee, and management of hives throughout the year. We'll also discuss modern equipment choices, honey extraction and sales, and of course, sample some of the sweet rewards of beekeeping. No equipment or experience needed. Recommended reading: *Beekeeping for Dummies* by Howland Blackiston - ISBN 978-0-470-43065-1. Enrollment is limited to 20.
